## EDUCATION

**Maharana Institute of Professional Studies**

*Bachelor of Technology*

**CGPA: 8.0**

**Mandana , Kothi , Uttar Pradesh**

*Expected Graduation, May 2026*

## PROFILE SUMMARY

Innovative Full Stack Developer with a strong background in designing, developing, testing, and deploying high-quality software solutions. Expertise in building scalable web applications using React.js and JavaScript. Passionate about continuous learning and leveraging the latest industry trends to enhance user experience and drive project success

## SKILLS

**Programming:** Java , Python , JavaScript , HTML5 , CSS3 , Node.js , React.js , C++ , C,Express.js.

**DataBase:** MongoDB , Appwrite.

**Tools:** Visual Studio , IntelliJ , PyCharm , Git , Tailwind CSS , Dev C++.

**Tehnologies:** RESTful APIs, Asynchronous Request Handling, Front-end Build Pipelines, Version Control Systems (Git), State Management Libraries (Redux, Context API), Responsive Design Principles.

## PROJECTS

**TaskStore:** [ [Live link](#) ]

**Tools:** React, Redux, Git, Responsive Design

Developed a responsive to-do web app using React, Redux, and local storage for efficient task management across devices.

Responsibilities:

- Developed a responsive to-do web app using React.js, Redux, and local storage, achieving a 20% increase in user engagement through enhanced UI/UX design.
- Optimized the application's performance by implementing Redux, reducing unnecessary re-renders by 30%.

**Currency Convertor:** [ [Live link](#) ]

**Tools:** React, API Integration, Responsive Design, Git

A sleek and intuitive web application allowing users to easily convert amounts between different currencies, leveraging real-time exchange rates.

Responsibilities:

- Built a web app enabling real-time currency conversion using React.js and external APIs, supporting over 50 global currencies.
- Enhanced user experience with a responsive design, resulting in a 15% increase in mobile usage.

## ACADEMIC ACHEIVEMENTS

- Secured 4th rank in my college coding competition, Code-o-Fiesta, during my 1st semester.
- Qualified for the Internal Smart India Hackathon (SIH) 2023, showcasing innovative problem-solving skills.
